## A NOTE FROM THE PRESIDENT

There are four different ingredients needed for life transformation to occur in a student's life. These four ingredients are truth, trials, relationships, and Holy Spirit involvement. It is as the Holy Spirit works through the truths we learn, the trials we face, and the relationships we experience that transformation of life takes place. At EBIC, we work to develop transforming experiences in all these areas, but our programs (listed below) demonstrate that we believe in the absolute necessity of filling the minds and hearts of our students with the truth of the Bible and theology. We design our classes to bring not simply the accumulation of knowledge, but so that knowledge will result in both spiritual and character formation. As you review the programs, remember these classes are part of the fuel the Holy Spirit will use to transform your life.

### Programs offered at EBIC

**1) LAUNCH CERTIFICATE:** The Launch Certificate is a *New York State-approved*, one-year program that is designed for the student who wants to gain a better understanding of not only what they believe, but also why they believe it and how to implement it in culturally relevant ways. Each student focuses on the study of God's Word, encountering Him in a unique way based on the track concentration chosen.

**2) ASSOCIATE IN APPLIED SCIENCE IN BIBLICAL AND THEOLOGICAL STUDIES:** EBIC's A.A.S. degree is a two-year, 62-credit program registered by the NYS Board of Regents, designed for students who desire to be prepared for ministry. The A.A.S. Degree is also the first step for students planning to matriculate into a bachelor's degree program at a four-year college. A firm foundation in the Bible is essential whether a student plans to enter ministry or continue his or her education. Without it, genuine Christian ministry cannot take place. Elim Bible Institute and College offers the Bible as its primary emphasis.

**3) BACHELOR OF SCIENCE IN THEOLOGY:** This is a four-year, 122-credit program registered by the NYS Board of Regents, designed for students who desire to be prepared for ministry. The new level of degree is designed to enable students to grow in their faith, to equip them with the knowledge and understanding of Biblical doctrines and fundamental theological concepts, and to help them acquire practical skills to become a Christian leader and minister in a multicultural context, impacting the world globally.

**4) SPIRITUAL ENRICHMENT CERTIFICATE:** This is a non-degree-granting certificate program. It is designed for the student whose primary goal is to deepen their relationship with God and grow in Biblical knowledge. Students enrolled in this program will also have an opportunity to develop practical ministry skills.

For further details on these programs see the Academic Catalog.

Sincerely,

President Fred Antonelli

## Statement of Faith

1. We believe the Bible to be the inspired, the only infallible, authoritative Word of God. (2 Tim. 3:16,17)
2. We believe in the triune Godhead as eternally existent in three persons: Father, Son and Holy Spirit. (2 Cor. 13:14)
3. We believe in the deity of Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed Blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His present priestly ministry. (Ro. 1:4; Matt. 1:18; 2 Cor. 5:21; Matt. 4:23,24; Ro. 3:25,26; 1 Jo. 1:7; Heb. 7:25)
4. We believe in evangelistic and missionary fervor and endeavor. (Acts 1:8; Mark 16:15-18)
5. We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential. We further believe in the keeping power of God. (Heb. 9:22; Jude 24, 25; Tit. 3:5)
6. We believe that sanctification, holiness, and the overcoming life are God's design for the Church, which is the Bride of Christ. (Eph. 5:25-27)
7. We believe that God created mankind as two distinct sexes: male and female, and that each person affirms God's infinite wisdom by living in alignment with their birth sex. (Gen 1:26-28; Matt 19:4-5)
8. We believe that sexual purity is a necessary expression for all of God's children, and requires abstinence from adultery, fornication, incest, homosexuality, and other sexual relationships or practices forbidden by Scripture. (Heb. 13:4; 1 Cor. 6:18; Lev. 18:1-30; Gal. 5:19)
9. We believe that marriage is the uniting of one man and one woman in covenant commitment for a lifetime, and a sacred institution established by God. (Matt. 19:4-6)
10. We believe that God created the existing space-time universe and all its basic systems and kinds of organisms in the six days of the creation week. (Gen.1:1-31)
11. We believe that since mankind is created in God's image, human life is of inestimable worth and significance in all its dimensions, from conception to the grave. (Gen. 1:27; Ps. 139:13, 14)
12. We believe that water baptism is for believers in the Lord Jesus Christ and is to be administered by immersion, thus bearing witness to the gospel of Christ's death, burial and resurrection for us, and our own new life in Him. (Matt. 28:19; Ro. 6:4)
13. We believe that communion, when shared by believers, witnesses to the saving power of the gospel, to Christ's presence in His church, and looks forward to His victorious return. (1 Cor. 11:23-26)
14. We believe in the Baptism of the Holy Spirit as on the day of Pentecost, and in the continuing ministry of the Holy Spirit, as evidenced in charismatic gifts and ministries, and in the fruit of the Holy Spirit in the life of the believer. (Acts 2:4, 10:46, 19:6; Eph. 4:11; 1 Cor. 12:8-11; Gal. 5:22,23)
15. We believe that divine healing is obtained on the basis of the Atonement. (1 Pet. 2:24; Matt. 8:17)
16. We believe in Christ's imminent personal return in power and great glory, and in His present and everlasting dominion. (Acts 1:11; Rev. 1:7; Dan. 7:14)
17. We believe in the resurrection of both the saved and the lost; they that are saved unto eternal life, and they that are lost unto eternal punishment. (John 5:28, 29; Rev. 20:15)

## SPIRITUAL LIFE GUIDELINES

EBIC's commitment to training men and women for worldwide ministry begins with an emphasis on the spiritual health and development of each student. The following are some of the ways in which this development is encouraged:

### Personal Devotions

Students are encouraged to have a time of daily communion with the Lord. Developing a devotional lifestyle is vital to the development and maintenance of sound spiritual health.

### Chapel Services<sup>1</sup>

Chapel is an integral part of the EBIC experience. Full-time students are required to attend three chapel services each week. Part-time students (6 or more credits) are expected to attend a minimum of two weekly chapels, preferably Tuesday and Thursday. Part-time students living off-campus and taking six or more credits are expected to attend at least one weekly chapel service. EBIC chapels offer a widely diversified spiritual experience that emphasizes worship, missions, teaching, and the gifts of the Holy Spirit. Chapels provide an excellent setting for students to learn about the moving of the Holy Spirit, and how to follow His leading.

Chapel attendance will be tracked by the resident advisors (RAs) and submitted to the Deans' Department. Three or more unexcused chapel absences will result in the student needing to meet one of the Deans. Any further unexcused chapel absences will result in four hours of community service and/or assigned writing projects given by a Dean. Permission to miss chapel must be authorized by a Dean.

### Church Attendance

Students are asked to regularly attend a weekly church service, when not in conflict with ministry assignments.

---

<sup>1</sup> Chapel and Conference Attendance policy

Residential students have six weeks during the first semester of each school year to visit different churches in the area. After the sixth week, the student must commit to one local church. Students should arrive on time and attend the complete service.

### **Cadre/Hall Meetings**

Each single dorm student is assigned to a small group called a cadre. An RA leads each cadre. Cadres meet regularly for the purpose of building relationships and establishing accountability.

Cadres also regularly meet with other cadres on their respective halls for times of fellowship and building community life. It is required for dorm students to attend regular Cadre meetings.

### **Special Days of Prayer and Spiritual Emphasis**

EBIC recognizes the importance and strength of gathering as one body for prayer and spiritual growth. Times of prayer are set apart during the school year for residential students and staff to spend time together in prayer. These times include the Foundations weekend in September, the Week of Prayer in January, Worship Emphasis Week, and the Prophetic Presbytery in March.

### **Online Student Welcome Event**

At the beginning of the fall semester, online students are encouraged to attend an event designed especially for them. This one-day event will provide an overview of EBIC's mission and allow students to meet professors and other online students to enhance the online learning experience.

### **Conferences and Seminars**

Annual on-campus conferences and seminars provide valuable exposure to the excellent ministries of missionaries and ministers. Attendance will be required at some of these events and is optional at others. Students will be notified in advance of the attendance requirements.

### **Discovery Days**

During the fall and spring semesters, prospective students will be on campus as EBIC guests. They will attend classes, chapels, and special services to discover God's direction for their lives. Many students will be asked to be hosts by sharing their room and extending friendship to our guests. Arrangements for the housing of our Discovery Days guests are made through the Admissions and Deans' Department. Students will be notified and given instructions to assist them in hosting our guests. Weekends away need to be synchronized with the responsibilities of being a host. This may mean shortening a trip or planning it for another time.

## **STUDENT COUNCIL**

To facilitate the objectives of the school, the Student Council functions as a liaison between the student body and the administration.

The EBIC Student Government consists of four councils, each representing their respective freshmen, sophomore, junior, and senior classes. Each council is comprised of a student-nominated and elected President and Vice-President, Treasurer, Male and Female Representative, Secretary, Treasurer, and International Student Representative that represents and serves their class under the direction of an appointed Faculty/Staff member. The Student Council has direct input into the Administration of the school through the Deans' Department. Each Council meets weekly with their advisor to pray for their class and discuss academic and social issues that impact the student body at large. Once a semester the three councils join together for a united meeting with a dean.

Each Council appoints spiritual and social sub-committees that are responsible for organizing social events and planning student chapels. The freshmen council adopts a social project in the fall semester of

each school year. This gives the class an opportunity to invest prayer and finances in a project in an area of need that is off-campus. Some examples of past projects are water projects for third world countries, orphanages, and local missions that provide food, shelter, and spiritual aid for homeless men, women, and families. The sophomore council raises money for their senior class trip. The senior council budget their money in such a way as to enable them to give a gift to EBIC. The gift is presented to the President at the year-end commencement service.

### **Qualifications for Student Council Leadership**

The available Student Council offices are the following: President, Vice President, Secretary, Treasurer, Male representative, Female representative, Student family representative, and international student representative.

#### **Spiritual Qualifications**

Each member of the Council should be modeling and growing in EBIC's core values of expressive worship, prayer, simplicity, integrity, holiness, and servant leadership. Each member should demonstrate the ability for developing a strong relationship with their class, the leadership of the school, and their appointed class advisors. Each member of the Council must have and maintain good social standing with the Dean of Student's Office. Violations of the Student Handbook requiring discipline may result in the suspension of the student from their elected office.

#### **Academic Qualifications**

Each member of the Council must be in good academic standing and maintain at least a 2.5 GPA. Dropping below this minimum requirement may result in the temporary suspension of responsibilities until the Council member has met the necessary academic requirements.

## **CODE OF CONDUCT<sup>2</sup>**

### **Purpose**

EBIC derives its purpose from its Mission Statement. The campus comprises a community of believers who have joined together for the purpose of spiritual growth, personal discipleship, and academic progress. We seek to uphold unity in our community life that is based on the Lordship of Jesus Christ and guided by our core guidelines, which are rooted in biblical principles.

EBIC acknowledges that it is impossible to create a community with expectations and guidelines that are ideally suited to each member. Nevertheless, we recognize that we are living in a community where we are dependent upon and accountable to one another. Living daily in fellowship with other Christians is a privilege. In recognition of this privilege, we place great value on the quality of relationships in our community, and set forth the following biblical principles as a norm for corporate life and individual behavior:

- Love (agape) should be the motivating principle in a Christian's relationship with others. This love will vary in its expression but will always seek God's best for the welfare of the recipient.
- While Christians must ultimately decide what behavior is appropriate for them individually, attaining common goals and ensuring orderly community life will necessitate the limiting of some individual liberties (Romans 14:1-13; Colossians 3:1-17).
- Certain actions are expressly prohibited in Scripture and are therefore wrong. Similarly, Scripture commends some actions that are therefore right. There are other actions that are matters of individual conscience, and in these areas, care must be exercised so as not to judge one another, or cause another to stumble. (Romans 14:19-21; 1 Corinthians 8:9-13).

---

<sup>2</sup> Conduct Policy

Based on these principles, EBIC sets forth the following certain Standards of Behavior to which members of the college community voluntarily submit. Because of the importance of trust, common courtesy, and mutual responsibility, violations of the following standards are regarded as a serious breach of integrity within the community and will be addressed by EBIC's leadership.

## **Standards of Behavior**

- EBIC believes that human sexuality is a gift of God. We choose to affirm its goodness and to exercise it within the guidelines set by God in the Scriptures. EBIC reserves the right to counsel and, in some cases, take disciplinary action against students who overstep these Scriptural guidelines.

EBIC has adopted a position on sexuality that is higher than what the Affirmative Consent and Responsible Employees laws require regarding premarital sexual engagement. EBIC believes God has reserved the most intimate of sexual relationships for the marriage union between a man and a woman. It is, therefore, not only a violation of our social policy but also of God's law to engage in such behavior outside of the marriage covenant.

Men and women are not permitted to visit the personal living area of the opposite sex except with special permission granted by EBIC leadership.

- We recognize the danger to one's physical and psychological well-being in the non-medical or recreational use of certain substances. Therefore, members of the community are to abstain from the use of any of the following:
  - Tobacco in any form (including any battery-powered devices which simulate tobacco smoking, such as electronic cigarettes, personal vaporizers or electronic nicotine delivery systems)
  - Alcoholic beverages
  - Controlled substances, marijuana, hallucinogens, depressants, stimulants, and narcotics, unless prescribed by a physician.

The above items are not to be personally used, possessed, sold, or distributed on or away from the campus.

- Gambling is considered poor stewardship of our God-given resources and therefore we discourage such activities.
- Any kind of demeaning gesture (verbal or non-verbal), threat of violence, or personal attack toward another person will not be tolerated.

The scriptures tell us that "death and life are in the power of the tongue" (Proverbs 18:21) and the Apostle Paul exhorts us with the following words: "don't use foul or abusive language. Let everything you say be good and helpful, so that your words will be an encouragement to those who hear them" (Ephesians 4:29). On the foundation of these scriptures, it is requested that all students refrain from language that would fall into any of the following categories: crude, vulgar, obscene, swearing, lewd, or abusive. As a campus community, we should seek to honor Christ and edify one another in all of our communication.

- Because the pornography industry exploits people and the use of its products is immoral, pornographic materials are not to be viewed, used, possessed, or distributed on or off-campus.
- Members of the community are expected to recognize their responsibility to God and one another, by carefully using time to engage in activities that will contribute to spiritual, moral, intellectual,

and physical well-being. Moral discretion is therefore required in the choice of television programs, music, movies, and electronic media. If any person present is uncomfortable with the content of digital entertainment, such as movies, videos, or games, all persons present must respect that person and refrain from viewing or listening to the material. Unless special permission is received from the Deans' Department, only PG movies may be viewed in the dorm lounges and Student Center lounge. Movies with a higher rating may be viewed in dorm rooms with agreement from all persons present.

EBIC expects each student to adopt the "Code of Conduct" as a personal lifestyle commitment to be followed for the entirety of the student's EBIC program. **The guidelines apply during the school term, during holidays, all breaks, as well as during the summer.**

## **Honor Code**

EBIC's Honor Code is based upon the principle that individual freedom is founded upon responsibility, and that ultimate responsibility for abiding by behavioral expectations lies with the individual student. If a student violates a principle of the Honor Code at any time, the student is honor-bound to self-report to an RA. Likewise, if a student is aware that a fellow student has violated an honor principle, that student is honor-bound to confront the violator according to the principles of Matthew 18 [see below]. Confronting and/or providing accountability should not be considered negative qualities. These principles describe a person of honor. Accountability simply means that each student is a guardian and steward of the Honor Code.

EBIC students are asked to subscribe to the following Honor Code: "As a student of EBIC, I hereby dedicate myself to the values summarized in the five core guidelines:

1. To honor Jesus in everything
2. To honor others above myself
3. To live above reproach-hating what is evil, embracing what is good
4. To do everything in my life as unto the Lord, not men
5. To serve others

I pledge myself to honor the Lord and others by embracing principles of honesty, integrity, responsibility, and stewardship in all aspects of my life. I will be accountable for all that I say, write, and do. By God's grace, I resolve to live a Godly life, realizing that my words and actions impact others' perception of Christ and this institution. I will participate actively in pursuit of God's call on my life, and the efforts of EBIC to fulfill its mission."

The Honor Code is designed to give students the opportunity to earn the trust of the spiritual leadership placed over them. It also enables EBIC's leadership to express a love that "rejoices in the truth," as students seek to "live a life worthy of the Lord" and to "please Him in every way" (I Corinthians 13:6/Colossians 1:10).

## **The Circle of Reconciliation**

EBIC does not expect perfection of its students, just as God does not expect perfection of us. As such, we ask students to talk with each other in a spirit of love, with the lowest level of accountability necessary, according to the principles of Matthew 18:15-18. It is our hope that during their time at EBIC, students will learn to hold themselves and their peers accountable for their actions. At times, these avenues may not be effective or appropriate and the Circle of Reconciliation process is necessary, as outlined below. Please be mindful the primary goal of the Circle of Reconciliation is the growth of the student, not the consequence.

1. If a student becomes aware that another student has violated the principles of the Honor Code, they are responsible to address the issue in a spirit of love.

2. If the student is unwilling to respond and repent, the assigned RA becomes a part of the second meeting.
3. If the student is still unresponsive, the lead RA becomes involved.
4. If the student is still unwilling to respond, the matter will be brought to the Dean of Students office. The discipline sanctions provide a proper balance between freedom and accountability, providing students with the opportunity of building strong bridges of trust, and to demonstrate spiritual and ethical growth after a failure.
5. However, if a student is fearful for his/her safety or the student who has violated the honor code is an RA, he/she should not approach the student but report the information to a Dean.

Discipline at EBIC will always be applied according to the following three principles:

1. Discipline and appropriate sanctions are instrumental in the training and preparation of Christian leaders.
2. Discipline and appropriate sanctions are instrumental in the harmonious administration of a Christian community.
3. Discipline must always be applied in a spirit of love as part of a redemptive and reconciliation process.

Violations of the Code of Conduct and/or Dorm Life Guidelines will result in disciplinary action or possible dismissal from the College.

## **Dress Code Core Standards**

One of the primary goals of community life at EBIC is to glorify Christ in all areas. In the area of personal dress and appearance, EBIC recognizes that students come from diverse backgrounds and have experienced many styles of dress standards. We acknowledge that it is impossible to create a community with expectations that completely satisfy each member. Nonetheless, the demands of community life require mutual understanding expressed in reasonable expectations. In keeping with EBIC's goal of training leaders, it is expected that students will dress at all times with the following three Core Standards in mind:

- *Modesty*: This standard describes an outward appearance that is not excessive or pretentious. It means dressing in a way that reflects honor to Jesus and communicates respect to all members of the community. For example, exposed underclothing would be unacceptable for both men and women.
- *Neatness*: This standard describes clothing that is tidy and in good condition.
- *Cleanliness*: This standard describes clothing that is recently laundered and fresh. Clothing should reflect a student's personal commitment to a high standard of daily personal hygiene. Students must also maintain acceptable standards of personal grooming.

## **Specific Applications of the Core Standards**

- **Classes and chapels**: neat, clean shirts, T-shirts, slacks, capris, jeans, skirts, dresses, and modest shorts are all examples of acceptable dress for classes and chapel. Footwear is required. Notice: head coverings [hats, sweatbands, bandannas, etc.] may not be worn in classes and chapels. A T-shirt cannot display a message that is contrary to Biblical principles and EBIC's values. Sweatpants and joggers (look like sweatpants) should not be worn.
- **Dormitories and campus life**: while attending EBIC, the dormitory and campus is the student's home. Outside of classes and chapels, the student's dress can reflect a more relaxed atmosphere. Sweatpants and athletic shorts are examples of acceptable dress in the context of dorm and campus life, including the dining room.
- **Dress for local church services**: because students are considered to be leaders in training, it is expected that Sunday dress will conform to the model set by leadership in that particular local church.

- Special events and designated times: part of leadership training is acquiring the wisdom that certain occasions call for “dressing up.” For example, while jeans may be acceptable for a class or a normal church service, they would be inappropriate attire at most weddings and funerals. Certain occasions require that we communicate honor and respect with our outward attire. To teach this important principle, the EBIC leadership on certain special days and occasions—such as Baccalaureate and Graduation—will ask the student body to dress up. These times will be announced in advance. Men will be expected on these special days to dress in a suit or jacket and dress slacks, dress shirt, tie, and dress shoes. Women are expected to be attired in dresses/skirts/dress pants.

## **Faculty and Staff Respect**

Part of the student's leadership training at EBIC involves learning how to properly relate to those in authority (Romans 13). Faculty and staff members should be addressed with due respect by the title desired by each member. Use of the terms Professor, Dean, Reverend, Pastor, Brother, Sister, Doctor, Mr., Mrs., or Miss. will assist in this wholesome attitude.

## **Relating to International Students**

We are privileged to have international students joining the student body each year and we want to help internationals feel as welcome and comfortable as possible by showing them respect. American students are encouraged to intentionally reach out to and include internationals in social activities (e.g., dining room, mixed groups, lounge, and café time). It is a special blessing to invite an international student to your home to share a recess, holiday, semester break, or free weekend.

One very important area in which we need to be careful concerns behavioral approaches in socializing. Americans can unintentionally offend internationals through such things as our typical informality. A list of guidelines is beyond the scope of this handbook, but if sensitive forethought is used in relating to an international student, many offenses and misunderstandings can be avoided.

## **Social Events**

Class-sponsored social events, athletic contests, fundraising events, etc., are held throughout the year for the entire EBIC family. Students also participate in holiday socials, school picnics, and overnight class events (with the class advisors).

For the smooth operation of activities put on by classes or students, all social events must be approved by the Campus Life Director.

## **Student Due Process**

Violations of the Code of Conduct will result in disciplinary action or possible suspension.<sup>3</sup>

A student may be suspended from EBIC after the following procedural steps:

1. Receive a written warning specifying the nature of the issue and the conditions of continual enrollment.
2. If the violation is repeated, the students will be asked to attend a “Live Hearing” held by the College’s President’s Cabinet. The student’s behavior and the file will be reviewed with the student present at this meeting.
3. The President’s Cabinet will make the decision. Since the President is a part of the Cabinet, its decision is final.
4. A designated Cabinet member will give the students a written letter, which will communicate the Cabinet’s decision.

---

<sup>3</sup> Student Due Process policy

**Please note:** A violation of the college's Statement of Faith may result in an immediate suspension without prior written warning or "Admin Hearing".

### **Student Complaint Process**

A complaint may be initiated by a student when he/she believes they have been treated unjustly. EBIC provides a way for students to address personal grievances and file any complaints regarding EBIC or its staff and faculty through the [Student Complaint Form](#). Anonymous complaints or feedback may be submitted to the "Suggestion Box" located in the library lobby.

For more information, please see the *Resolving Conflicts/Filing a Complaint* section of the Academic Catalog or the corresponding policies.

## **CAMPUS SAFETY**

### **Students' Bill of Rights<sup>4</sup>**

All students have the right to:

1. Make a report to local law enforcement and/or state police;
2. Have disclosures of domestic violence, dating violence, stalking, and sexual assault treated seriously;
3. Make a decision about whether or not to disclose a crime or violation and participate in the judicial or conduct process and/or criminal justice process free from pressure by the institution.
4. Participate in a process that is fair, impartial, and provides adequate notice and a meaningful opportunity to be heard;
5. Be treated with dignity and to receive from the institution courteous, fair, and respectful health care and counseling services, where available;
6. Be free from any suggestion that the reporting individual is at fault when these crimes and violations are committed, or should have acted in a different manner to avoid such crimes or violations;
7. Describe the incident to as few institution representatives as practicable and not be required to unnecessarily repeat a description of the incident;
8. Be protected from retaliation by the institution, any student, the accused and/or the respondent, and/or their friends, family and acquaintances within the jurisdiction of the institution;
9. Access to at least one level of appeal of a determination.
10. Be accompanied by an advisor of choice who may assist and advise a reporting individual, accused, or respondent throughout the judicial or conduct process including during all meetings and hearings related to such process.
11. Exercise civil rights and practice of religion without interference by the investigative, criminal justice, or judicial or conduct process of the institution.

### **Sexual Harassment**

Sexual harassment is contrary to a Christian lifestyle as well as federal and state laws which prohibit any form of sexual harassment, including, but not limited to, vulgar language or other conduct creating a sexually hostile environment; unwelcome sexual advances; or any connection between any sexual advances and employment, financial aid, academic or professional performance. EBIC will, therefore, not tolerate any such behavior which, in addition to violating federal and state laws, is contrary to our goal of encouraging behavior that respects each person's dignity.

---

<sup>4</sup> Students' Bill of Rights policy

Students who believe they are being subjected to sexual harassment should report the matter confidentially to the appropriate member of the Administration Committee.

## **Sexual Assault**

In cases where sexual assault occurs, under the Campus Sexual Assault Victim's Bill of Rights Act of 1991, EBIC has developed a protocol to assist students who are sexually assaulted on campus. All students will have the support of EBIC's leadership in notifying the proper authorities and obtaining evidence. EBIC leadership will support the victim with whatever decision is made regarding formal charges.

## **Alcohol and/or Drug Use Amnesty**

The health and safety of every student at EBIC is of utmost importance. EBIC recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. EBIC strongly encourages students to report domestic violence, dating violence, stalking, or sexual assault to institution officials. A bystander acting in good faith or a reporting individual acting in good faith that discloses any incident of domestic violence, dating violence, stalking, or sexual assault to EBIC's officials or law enforcement will not be subject to EBIC's code of conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the domestic violence, dating violence, stalking, or sexual assault.

## **Firearms**

Firearms: Students are not allowed to bring or discharge firearms, fireworks, or explosive devices at the campus. BB, pellet, air, and paint guns are considered firearms and are not to be brought or used on campus. Bow and arrows; and blowguns are also not permitted to be used on campus.

## **Appliances**

Due to strict fire regulations, caution must be employed with regard to the location and operation of various electrical appliances. Smoking in any form and open flames of any kind are strictly prohibited in all on-campus student housing facilities.

The following items are not allowed in the individual dorm rooms of our student housing facilities, because of the fire and life safety risk:

## **VEHICLE AND BICYCLE USE ON CAMPUS**

All vehicles, including motorcycles and trailers, must be registered with EBIC. Dorm students obtain vehicle registration forms and parking permits through the Campus Life Department at the beginning of each semester, or on the first business day after the vehicle is brought to the campus.

The on-campus speed limit is 15 m.p.h. All traffic and parking signs are to be obeyed. Parking violations may result in fines and/or towing. Repeat violations will result in the loss of on-campus parking privileges.

Extensive car repairs are not permitted. If prior arrangements are made, vehicles may be stored on campus while away on a ministry trip.

All owners of motor vehicles who desire to park on the property of EBIC must register and pay for their vehicles with the Campus Life office and display a current EBIC parking permit. There is a fee for parking on campus, (see Fee Descriptions in Appendix A of the Academic Catalog for details). Parking permits are valid for one school year. Vehicles must display current license plates and registration and have active insurance coverage that meets New York State minimums. Student vehicles must be

maintained in operating condition. If during the term of its parking permit a vehicle is replaced with another, the student must register the new vehicle with the Campus Life office and pay for a replacement permit.

Student parking is assigned and limited to the upper Faling lot, the large Library lot, the North overflow lot, and the Watson lot. All other campus lots are restricted and not for student parking. Vehicles parked in unauthorized lots, reserved areas, fire lanes, on the lawn, or in areas other than their permits allow will be ticketed.

Students can bring a bicycle to campus. Student families may also have bikes and can keep it in their apartment storage unit. Dorm students may not store their bikes on campus over the summer. EBIC is not responsible for any loss, theft, or damage to bikes parked or stored on campus. Bicycles that are unidentified and/or unclaimed will become the property of EBIC after 30 days.

## **DORM LIFE GUIDELINES**

While attending EBIC, the dormitory is the student's home. We hope each student will find a community life atmosphere of love, cooperation, and unity. Living in close quarters, students who were strangers soon become like members of a family, learning to respect the rights of others, becoming flexible, sharing time, and concerns with one another. The dormitories are also used for studying. Therefore, we ask that students show genuine concern for the study needs of others.

The following guidelines are set forth to assure the smooth operation of community life in the dormitories.

### **Resident Advisors**

RAs are a vital component of community life at EBIC. RAs are selected after a screening process and reside on each floor and hall in the dorms. RAs function as servant/leaders that are an extension of the Dean of Students' Office. They are responsible for encouraging students with personal, social, and academic difficulties while understanding and facilitating a healthy residential environment.

At least two Resident Advisors (RA) are "on duty" between the hours of 5 p.m. and 8 a.m. weekdays and 24 hours on the weekends, with the exception of College Breaks. The RA on Duty is available for emergencies, lockouts, and general campus concerns. They can be reached by calling:

- **Guys:** 585-355-1426
- **Girls:** 585-472-9428

### **Key Policy**

Each student is issued a dorm room key and a mailbox key. Loss of either one will result in paying a fee (see Fee Descriptions in Appendix A of the Academic Catalog for details). Replacement keys are obtained from the Campus Life Office. If a lost key is found and returned within the same semester it was lost, the fine will be refunded.

### **Room Identification**

The Student Emergency Card must be posted on or next to each student's door; this includes the student's emergency contact and other pertinent information.

### **Visitors**

All visitors are expected to comply with EBIC's five core guidelines (see [Honor Code](#)). Students who wish to have an overnight guest in their room must obtain permission from their RA and a Dean by filling out a Dorm Guest Form found at the Campus Life Office.

The returned Dorm Guest Form must be posted on the outside of the student's door for the period of time the visitor is on campus.

Men may not enter women's dorms and women may not enter men's dorms at any time, except when authorized by a Dean.

## **Furniture**

Rooms are supplied with the appropriate amount of furniture for student needs. Therefore, students are not to remove or exchange furniture between the rooms. Each student is responsible for the care of the furniture in his/her room. Students may be allowed to bring some personal furniture however this furniture must be labeled as their own.

## **Personal Possessions**

Students are responsible for the loss of and/or damage to their possessions. This includes loss of and/or damage to personal possessions as the result of a fire, flood, or natural disaster. It is suggested that students place their name on all personal items.

## **Pets**

Dorm students are not allowed to have any pets on the EBIC campus.

## **Safety**

See [Campus Safety](#) above or [Fire Safety Standards and Measures](#) in Appendix B.

## **Student On-Campus Services (SOS)**

SOS is a discipling program that provides opportunities for resident students to serve in various capacities. Just as members of a family share the "chores" around the house, SOS assists students in developing responsibility and character while maintaining daily cleanliness of shared facilities. This is a family responsibility and requires the participation of the whole community. The services that students provide also allow the college to keep room and board prices as low as possible. Each dorm student will contribute 28 hours of service during the fall semester and 30 hours of service during the spring semester. Resident Advisors are exempt from the SOS program.

At the end of each semester, the SOS Coordinator will verify with supervisors that all SOS hours have been completed by the student. Students who have not completed their SOS hours will be required to pay a fee per hour for every outstanding unexcused hour. This fee will be minimum wage rounded up to the nearest dollar. This fee will be added to the student's bill and reflected in Populi.

## **Campus Days**

Campus Days involve campus beautification and fulfill partial SOS requirements for resident students.

## **Student Employment**

Students must post their work schedule on their dorm door. For full-time students, special permission is required from the Deans' Department to work over 25 hours per week.

## **Scheduled Breaks**

Scheduled Breaks include:

- Fall Break (Canadian Thanksgiving)
- Thanksgiving
- Christmas
- Winter Break

- **Easter**

Students are expected to leave the campus during scheduled breaks and must return at the scheduled conclusion of the break. Permission to stay on campus must be requested in advance the Deans' Department. No meals are served during scheduled breaks. All guidelines remain in effect for students remaining during breaks. Curfew is extended to 1:00 am during break. For daily charges see Fee Descriptions Appendix A of the Academic Catalog.

EBIC staff is not responsible for arranging or providing transportation to or from public terminals. Students are responsible to arrange in advance for all individual transportation needs to and from public transportation terminals. If advance plans are not made it is expected that the student will engage the services of a Taxi service.

## **Weekends Away**

Students are allowed to take free weekends away from the campus according to the following schedule:

Students should not plan visits away from campus when they conflict with EBIC events. These include Foundations Weekend in September, Missions Week in October, Week of Prayer in January, Prophetic Presbytery in March, Baccalaureate & Graduation in May, required seminars, and student ministry assignments.

Students may not miss a class to go on a free weekend. They are free to leave after their last class of the week or after chapel should they have classes in the morning only and must return before their first class or chapel of the following week. Exceptions must be cleared in advance by each teacher with whom the student has a class.

The destination and contact information must be posted on the student's dorm room door before they leave for the weekend. It is required that the student's RA knows their whereabouts in case of an emergency.

Students having work scholarship or student ministry responsibilities must follow the appropriate procedures for securing replacements before leaving for the weekend.

## **Room Maintenance and Dorm Care**

To make the dorm atmosphere as pleasant and comfortable as possible for all students, please adhere to the points of commitment agreed on in the signed Roommate Agreement contract. Roommates need to work together as a team in cleaning and maintaining a pleasant atmosphere. Dorm rooms will be checked throughout the school year by a Dean and/or Resident Advisor.

Cleaning supplies are available for student use and are located in the bathrooms or hall closets; supplies must be returned when the student is finished with them.

Students may not use the following anywhere in the dorms: thumbtacks, staples, tape, nails, rubber cement, contact paper, or any form of adhesive or fastening material. This also includes no painting, wallpapering, or stenciling. Decorations may be adhered to Dorm walls and doors with only: sticky-tack, Hold-it gum, or similar products. All residues must be removed upon the student's departure.

Windows must be closed and locked during scheduled school breaks and/or long absences from the room. Dorm rooms must be locked, and lights/fans turned off whenever the room is vacant.

Due to continued use of dormitory space after students depart the following must be left in the same clean and orderly condition in which they were found: rooms, hallways, lounges, bathrooms, and prayer rooms. Dirty or damaged dorm spaces will result in a significant fine see Fee Descriptions in the Academic

Catalog. Each student will be responsible to complete the 'Room Checkout' form and have it signed by an RA.

## **Trash**

Trash dumpsters and recycling receptacles for paper and plastic can be found by the West Apts., North A and B Apts., and behind Washington. All trash must be placed inside the dumpster. All boxes should be broken down and placed inside the special dumpster for recycling cardboard located behind the Cafeteria.

## **Storage**

Limited space for summer storage is available for a nominal fee. See the Housekeeping Coordinator for arrangements and details.

## **Food**

Students may keep snacks in their rooms as long as the food is enclosed in adequate containers. Refrigerators are provided in each dormitory for student use. Please put your name and the date on refrigerated items. Borrowing or using another student's food without permission is stealing and is strictly prohibited. Students are responsible for cleaning refrigerators in dorm areas.

## **Music**

Musical instruments may be played in the dorms with discretion and consistent with the core guidelines.

- Permission for playing personal instruments and/or using EBIC instruments in the Tabernacle (i.e., drums, piano, etc.) must be obtained from the Music department.
- Philosophy, tastes, and personal convictions concerning music vary greatly among Christians. Deference to other students and visitors requires that neither the volume nor choice of music should cause disturbance or offense. Volume setting should be low enough to ensure that music played in a dorm room does not carry into hallways or other rooms.
- Students are asked to guard not only their own conscience in their personal choice of music but to also guard the conscience of their brothers and sisters (Romans 14:1-22, 1 Cor. 8:1-13).

## **Prayer Rooms**

A campus prayer room located in the Tab is available to all students. In addition, prayer rooms are located in many of the dormitories for student use. Prayer rooms are not to be used for fellowship, study, or storage. When praying, please pray quietly in consideration of others in the dorm.

## **Roommate Agreement Form**

Most students will share a dorm room with a roommate. This provides an opportunity for developing new friendships that become a vital part of personal growth and character development. To facilitate a harmonious transition between roommates, each dorm student is expected to discuss, fill out, and sign the roommate agreement form, which highlights many practical issues that can potentially create conflict. These agreements are to be signed and one copy submitted to the student's RA by the end of the second week of classes. If an unresolved conflict arises between roommates, the RA will act as arbiter, to bring peaceful resolution using the signed agreement as a guide.

Students may apply for a single room if space allows and at a fee. You can apply through the Dean of Students' Office.

## **First Semester Students**

First semester students come to EBIC with a wide diversity of perspectives on what it means to be a college student. EBIC leadership considers the first 16 weeks as a time to build relationships, establish trust, and immerse each new student in the values of EBIC culture and campus life. This orientation takes more than a few days.

To achieve this important goal each new student will be required to take a course entitled “Foundations for Life.” This course is theological, but intensely practical, dealing with the “whys” behind different handbook expectations. “Foundations for Life” begins with teaching centered on the Lordship of Christ and personal integrity, and focuses throughout on practical issues like dress code, study habits, and time management.

To ensure that each new student becomes rooted in the values of EBIC culture and campus life, the following guidelines are required for new students in the first 16 weeks:

1. New students are not allowed to develop an exclusive relationship with a member of the opposite sex. No dating privileges are extended during the first 16 weeks.
2. New students are required to live in the dormitory for the first 16 weeks.

## **Curfew**

As part of the daily discipline involved in leadership training, and to create an atmosphere conducive to mental and physical rest, EBIC enforces a nightly curfew. The curfew is designed to provide for the spiritual and physical well-being of our student body. Curfew times are as follows:

- Sunday through Thursday: Students in their dorm building by 11:30 p.m.
- Friday and Saturday: Students in their dorm building by 1:00 a.m.
- Lights out: Lights out is at the discretion of each room and must be consistent with the signed roommate agreement. (For example, if one student is unable to sleep with lights on, the roommate would be required to study in the dorm lounge.)

## **Quiet Times**

Because the student body is made up of a diversity of age groups, schedules, needs, and habits, it is necessary to have scheduled times of quietness for the purpose of rest, study, and prayer.

Quietness must be maintained in the dormitories during the following times:

- Daily from 11 PM to 8 AM
- During these hours there must be no loud conversations or other activity in the halls.

## **Discipline Sanctions<sup>5</sup>**

Students who violate the EBIC Code of Conduct and/or consistently break community life guidelines and standards as described in the Student Handbook may receive Discipline Sanctions and may be required to meet regularly with a member of the Deans’ Department until the conclusion of the discipline sanction period. Serious violations of the EBIC Code of Conduct or Statement of Faith may result in suspension. Discipline sanctions may include:

- Social privileges (to an individual or group) may be forfeited for a specified period of time, such as:
  - Not able to participate on the worship team or represent the school in any leadership capacity
  - Not able to participate in extra-curricular activities, such as intramural sports or events on campus
  - Not able to leave campus for recreational purposes.
- Community Service (On Campus Work)
  - A student may be assigned a specific number of hours to work in an assigned campus department.
  - Work is to be completed within two weeks of when the assignment is given.
  - The Deans’ Department and the appropriate supervisor will monitor work hours.
  - Additional time may be added for failure to complete work within the time allotted.

---

<sup>5</sup> Discipline Sanctions policy

- Community service is not deducted from SOS hours.
- Restitution
  - The student is required to make restitution for damage to, or misappropriation of property. Restitution may take the form of appropriate service to repair or compensate for damages.
- Disciplinary contracts may be issued by the EVPP's approval and enacted, which may result in a one-year suspension.

### **Off-campus Mixed Group Activities**

Students are encouraged to participate in mixed group activities. The purpose of the mixed group is to allow each student the opportunity of social interaction with the opposite sex in the context of fellowship and friendship.

As a general rule, a mixed group consists of three or more people, with a proportionate ratio of men and women. Mixed group activities are never to be used as a way of bypassing the dating guidelines by using the group as an opportunity for exclusive "pairing off". Any couple that is a part of mixed group activity is expected to remain with the group for the entire time away from campus. Any group of four comprised of two couples is not considered a mixed group, but a double date.

### **Dating Philosophy and Guidelines<sup>6</sup>**

At EBIC, we seek to assist students in discovering the Lordship of Christ in their dating relationships. To this end, EBIC encourages students to develop healthy relationships that are based upon biblical principles, pastoral care, accountability, and community support.

As such, EBIC has established the following dating non-negotiables and healthy guidelines to help counsel and support students who are entering into dating relationships.

#### **Dating Non-negotiables\***

- New students are asked to refrain from developing a dating relationship within their first 16 weeks.
  - Students should take the first semester to cultivate a wide variety of friendships with the student body, staff, and faculty. Social times should be invested in many relationships, not just a "special someone." For this reason, EBIC requires that first semester freshmen not pursue exclusive relationships. First semester freshmen coed activities are understood as group activities (mixed group of three or more.) Freshmen coming to EBIC in an already established and recognized relationship may be granted certain privileges after meeting with a member of the Deans' Department. These guidelines may be adjusted as maturity dictates.
- Students who are interested in starting a dating relationship are asked to make an appointment with a member of the Deans' Department. The heart of this meeting is to provide care, counsel, and support. It is not intended to be an approval meeting.
- Dating relationships should not distract students from their primary purpose for coming to EBIC -- including spiritual formation, community, and academics (Heb. 12:1).

---

<sup>6</sup> Conduct Policy

- Do not engage in sexual activity outside of marriage (2 Tim. 2:22; 1 Cor. 6:18).
- In accordance with biblical standards, as reflected in EBIC's statement of faith, "marriage is the uniting of one man and one woman". Therefore, it is Elm's policy that dating relationships are to be between a male and female.
- Accountability is vital - every dating couple is asked to seek out a local leader or couple that will speak into their relationship on a regular basis.

These guidelines apply to all full-time and part-time students.

### **Relationship Guidelines**

- Healthy physical and emotional connections should appropriately match the commitment level of the relationship over time.
- Healthy balance of exclusive time together and time with community.
- Use wisdom and discernment in determining the appropriateness of physical displays of affection in common areas on campus, based upon the biblical principles of **living beyond reproach, and honoring others above oneself**.(Ephesians 5:15; Heb. 13:4)

### **Engagement & Marriage**

Marriage is one of God's most precious and sacred gifts and one of the most important decisions a person will ever make. Therefore, EBIC encourages students to make any such decision with pastoral covering and counsel. Because marriage is so significant, the Deans' Department encourages student couples who are considering marriage to seek counsel prior to engagement to discuss parental and pastoral support as well as timing for marriage.

Students are recommended not to marry during their first two semesters at EBIC to focus on their studies and God's will in their lives. Students who get married during this time may be asked to take up to a year off from enrollment at EBIC to focus on their new life together.

# **BUILDING USE GUIDELINES**

Elim Bible Institute and College has thirteen buildings that are used for on-campus student housing facilities and four non-housing related buildings. All of them are equipped with smoke alarms and fire extinguishers.

## **Dining Hall**

### **Food Service**

The following guidelines relate to the use of the Dining Hall:

- Students are not permitted in the kitchen area except as required by work duties.
- No dishware, utensils, or equipment may be removed from the kitchen or dining room.
- All meals are served in the Dining Hall. (Special permission may be granted for taking food trays to sick students.)
- Your personal student I.D. card must be presented to the dining room monitor at each meal. Report lost cards to the Campus Life Office immediately and make arrangements for a replacement. You will have 48 hours to obtain a new card in order to receive your dining hall meals. By downloading the Populi app on your phone, you can also access and use a digital student ID.
- Food Services can make special provisions for unusual dietary concerns. Please speak to the Food Service Director if you have questions or dietary restrictions.
- Please do not take more food than you can eat. Students are free to return to the serving lines for seconds.
- All students are required to clear their own tables and to pick up any trash in their respective areas.

Through the years, many couples and single parents have experienced a tremendous amount of joy during their time at EBIC. Though there will be many opportunities for adjustment and flexibility, all of these will add up to a significant part of one's development for life and leadership in the Kingdom of God!

## **Campus Life Guidelines**

As a student, you are expected to abide by the student [dress code](#) as listed under the Code of Conduct. Spouses and children are to reflect appropriate attire as well.

## **Visitors**

Your visitors are to comply with EBIC's campus guidelines pertaining to dress and conduct.

## **Student Employment**

Typically, a student with a family finds it necessary for one or both spouses to work during all or part of their time at EBIC. Employment will at times conflict with EBIC requirements. It is expected that a high priority will be placed on each EBIC requirement and that every effort will be made by the student to meet these requirements. The Dean of Students' office must approve any departure from normal EBIC requirements in advance.

## **Dining Room**

Meals are available in the Dining Hall for student families at reasonable rates. You are invited to come any time to share fellowship and a meal with the other students. Meal tickets can be purchased from the Accounting Office.

Married and single-parent students are expected to attend at least one chapel for each three-unit hours of classes taken. This means that a full-time student averaging 16-unit hours of course work per semester would be expected to attend the three regularly scheduled chapels each week. The Dean of Students' Office must approve exceptions. For more information see the [Spiritual Life Guidelines](#) Section 1, Part II of this handbook.

# STUDENT SERVICES

## Health Care

EBIC will care for the health needs of its students by providing proper training to the Resident Advisors on how to respond to medical emergencies and by posting medical referral information in every dorm and on the Student Center bulletin board for non-emergency health needs. During RA training, Dean of Students' Office instructs all RA's on how to use the first aid kits, respond to medical emergencies (911) and communicate with staff leadership during a medical emergency. RAs will also receive some basic emergency care procedures through informal training by a registered nurse on campus. When students have non-emergency medical needs, the Resident Advisors and Deans will refer students to appropriate health care centers such as Urgent Care in Henrietta as well as hospitals that accept patients with *no medical insurance*. The Medical Referral form will also include information on mental health providers, women's health services, and primary care physicians. For emergencies call 911. The Resident Advisors will distribute the referral information during the first week of the semester. This information will also be posted in each hall and placed on the Campus Life Communications board throughout the academic year.

Throughout the semester, nutritional seminars and physical fitness classes are offered to encourage healthy eating and physical fitness.

## Intramural Sports

Through intramural sports, EBIC encourages students to enjoy recreational sportsmanship and fitness through team-oriented competitions. A student-lead sports committee is formed at the beginning of the academic year and their task is to organize various sports-related activities throughout the academic year; soccer intramural games in the fall semester, volleyball intramural games in the spring semester, and a touch football game are planned every year.

## Mail Delivery

Students enrolled in 6 or more credit/unit hours are issued a student mailbox.

- *Mail:* mail is distributed to each student's mailbox Monday through Friday. Because important memos are placed in mailboxes, it is important that students check their mailboxes daily. Student mail should be sent to the following address:
  - Elim Bible Institute and College  
Student name and student mailbox #  
7245 College Street  
Lima, New York 14485
- *Packages:* when packages are received on campus, the Campus Life Office will notify the student by sending a package notice to the student's email. Please come to claim your package during the package pick-up hours posted on the Mailroom door.
- *Lost & Found:* there are two Lost & Found locations: Student Center and the Athletic Center. EBIC is not responsible for personal property loss. Items that are not claimed prior to each college break will be donated or discarded.

## Printing

Printers are located at the Campus Life Office and needed printing can be requested and sent to [campuslife@elim.edu](mailto:campuslife@elim.edu). Scans may be saved to a USB device or can be e-mailed to your e-mail address per request. See the Campus Life Office and the Fee Schedule in the Academic Catalog for any applicable fees.

## Wireless Internet Access

Public wireless internet access is provided on campus and available to the students.

## Academic Advising

The Registrar and Program Chair advise students in their academic program and course registration. Additionally, the Academic Office assigns a faculty advisor to each student. Students are encouraged to consult with faculty and/or advisors regarding any academic or vocational questions. Although advisors are available to assist students, all students must accept full responsibility for identifying and completing requirements as they are listed in the catalog.

## Career Counseling

EBIC offers guidance in making career decisions in various ways:

- For students who desire to continue getting more education, the academic office provides information about articulation agreements with other colleges.
- A Capstone course, required for all students in the Bachelor of Science Program, guides the student in defining their future goals and ministry objectives, assessing their individual gifts and personality types, and preparing their personal portfolio for possible job interviews.
- Free Resume Review Service at the academic office – each student may get advice on how to prepare a resume; submit a resume and receive feedback and recommendations; view sample resumes.
- Senior Job Questionnaire and One-on-one meetings with the Ministry Director– available to students in the Bachelor of Science Program only. They are asked to participate in the job questionnaire identifying their desire for ministry jobs and defining their calling, future aspirations, and plans. A meeting with the Ministry Director follows the survey where the student has an opportunity to ask questions and discuss his/her plans personally.
- Ministry Job posting board – available via the college website – Ministry opportunities, or at <http://elimplacement.org/>. This website allows EBIC students and various churches/ministries to connect with each other regarding their respective job interests.
- Chapel guest speakers – each academic year a few ministry leaders are invited to speak at EBIC's chapel. After chapel, the speaker is available to our students during lunch. Interested students have an opportunity to ask questions and find out how to get involved in that particular ministry.
- Ethnos Conference – every fall semester all full-time students attend a missions emphasis conference called Ethnos. Various missions and ministries are also invited to participate in this conference. Students have the opportunity to connect with each ministry and get information about it.

## Learning Assistance

EBIC is committed to providing qualified students with physical or learning disabilities an opportunity to take full advantage of the College's programs, activities, services, and facilities. Examples of reasonable accommodations include special classroom seating, note-taking assistance, extended time for tests, recording of lectures, and special housing arrangements. # Section 2: Ministry

## Internships

Internships are a significant part of the overall training experience at EBIC. This experience tempers the students' academic development by allowing them to minister in real-life settings while they are training for the harvest. Academic credits are granted for the completion of this program, which is a requirement for graduation. Students should register for internships at the regular fall or spring registration.

## Student Ministries

Students experience a practical hands-on ministry. EBIC offers a variety of ministry opportunities to engage students in the local community. Each week, student teams travel to more than twenty student ministry locations in the greater Rochester area. These ministries range from prison ministry, youth ministry, and college ministry to soup kitchen outreach and evangelism. Students may also work with adults with developmental disabilities, pregnancy centers, and victims of sex trafficking. Additionally, students may participate in worship ministry, as musicians, singers, or sound and video technicians. Student ministries allow students to implement what they are learning while at EBIC and further their learning experience.

For more information on Internships please refer to the *Academic Catalog: Internships and Student Ministries*.

# Section 3: A Campus Tour

## A HISTORIC CAMPUS

The campus on which Elim Bible Institute and College is situated today has a long history of Christian significance, pre-dating by 120 years EBIC's purchase of the property in 1951. The campus was originally the home of the Genesee Wesleyan Seminary, which was founded in 1832 as a result, according to historians, of the impact of Charles Finney's revival crusades in Rochester. The Methodist seminary, which was one of the first schools of higher education in Western New York, occupied the campus for 109 years before closing its doors in 1941.

### Spencer Hall

This building is temporarily closed.

The first building constructed on the campus of Genesee Wesleyan Seminary, Spencer Hall burned to the ground in 1842 and was promptly rebuilt on its original site. Today, the top two floors serve as a dormitory, and the lower two floors house a receptionist/switchboard operator, administrative offices, guest rooms and lounges, and a few apartments. Except for the addition of the front veranda in the late 1800s, this building looks very much as it did at that time.

### College Hall

The first floor is open where four finished classrooms are located along with the Academic Offices. Faculty offices are located in the basement and a large classroom is open on the second floor.

Built in 1851, this classroom building stands today as one of the area's best examples of Greek Revival architecture. Today, the exterior of the building is virtually unchanged, though the interior of the building has been remodeled and modernized throughout the years.

### Watson Hall

This building was named after Eva Watson Clark (Class of 1928) who served EBIC as Dean of Women for over 20 years. Erected in 1969, the building was designed for use as a dormitory but was originally utilized as classrooms while the public-school system in Lima used College Hall as classrooms. This building currently houses student dormitories.

### Washington Hall

Originally constructed in the late 1800s to be used as a laundry and dormitory, this building today houses student dormitories on the second and third floors, Admissions offices on the first floor, and housekeeping offices in the basement.

## **I.Q. Spencer Tabernacle**

Built by EBIC's Maintenance Department, the “Tab” was completed in 1972 and named in honor of the founder and first president of EBIC. The auditorium seats about 800 people when both wings are open. (These wings may be closed off to make classrooms and meeting areas.) The balcony portion of the Tab accommodates the sound and recording facilities. The lower level of the Tab is used as a dormitory.

## **North Complex, Buildings A & B**

Constructed in 1980 and 1996 to house student families, these buildings contain one, two, and three-bedroom apartments that are used for housing staff and student families.

## **Library Building**

Constructed in 1980, this building houses the student library facilities, dorm rooms, and faculty offices.

## **Faling Hall**

This dormitory was built in 1897 by Genesee Wesleyan Seminary. It is named after GWS alumnus David R. Faling. It is currently a men's dormitory.

## **Staff and Student Housing**

Many of EBIC's faculty and staff live in apartments on campus. Buildings 16 (West Apartments) and 15 (South Apartments) were built in recent years. The three buildings across the street (12-14) were built in the late 1800s and were originally used for classrooms; later, they were renovated for use as staff and student apartments. Today these buildings house student families as well.

## **Garage**

This building is used for the maintenance of school vehicles and equipment.

## **Student Center**

Constructed in 2000, this building houses the following: the Dining Hall, Kitchen, Food Service Offices, Student Café and Lounge, student mailboxes, classrooms, the President's Office, Accounting, Administration, Institutional Effectiveness, Financial Aid, Maintenance, Campus Life, IT, Ministry and the Deans' Offices.

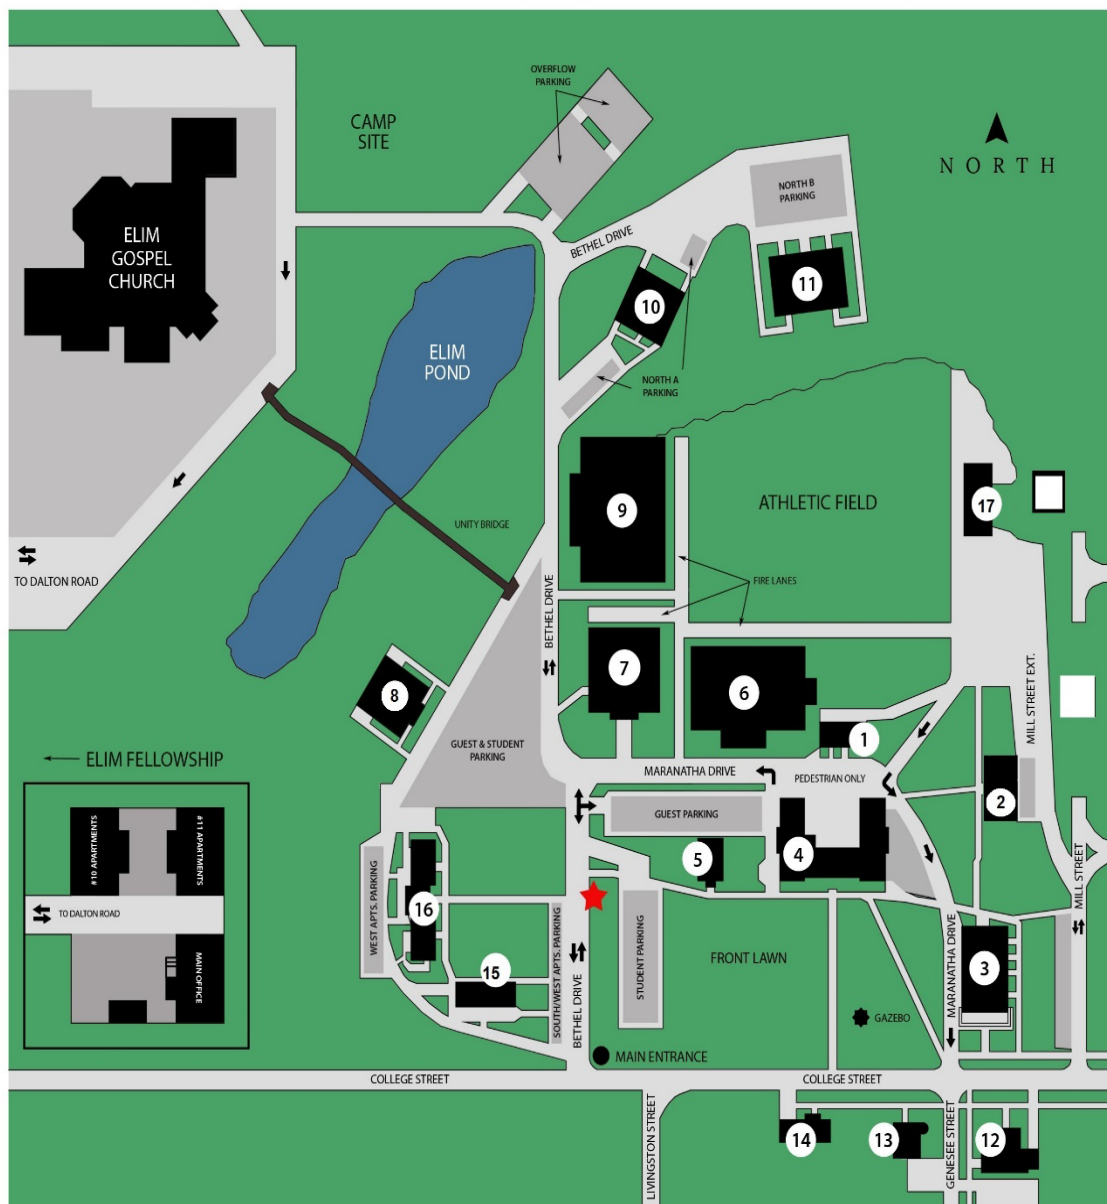

## **Athletic Center**

Completed in 2002, this building houses the school gymnasium, weight room, racquetball courts, and indoor track.

## Bias-Related Crime Prevention

<b>Applies to:</b>	<b>Students</b>	<b>Overseer:</b>	Campus Safety Officer
<b>Published in:</b>	Policy Manual Student Handbook	<b>Additional Reviewers:</b>	
<b>Created on:</b>	10/16/2013	<b>By:</b>	Danuta Case

### Policy Statement:

6436 – Article 129-A

In compliance with the NYSED Article 129-A EBIC is committed to protecting all members of the EBIC community by preventing and prosecuting bias or hate crimes occurring on campus. Hate/bias crimes have received renewed attention in recent years, particularly since the passage of the federal Hate/Bias Crime Reporting Act of 1990 and the New York State Hate Crimes Act of 2000 (Penal Law Article 485).

A hate/bias-related crime is committed when a person intentionally selects another person against whom a specified offense is committed or intended to be committed because of a belief or perception regarding such other person's race, color, national origin, ancestry, gender, age, disability, religion or religious practice, or sexual orientation, regardless of whether the belief or perception is correct. A hate/bias-related crime is also committed when a person intentionally engages in a specified offense such as murder, assault, kidnapping, stalking, harassment, arson, robbery, vandalism, or other crimes against another person because of a belief or perception regarding such other person's race, color, national origin, ancestry, gender, age, disability, religion or religious practice, or sexual orientation, regardless of whether the belief or perception is correct.

Penalties for hate/bias-related crimes are very serious and range from fines to imprisonment for lengthy periods, depending on the nature of the underlying criminal offense, the use of violence or previous convictions of the offender. Hate/bias crime incidents that rise to a felony level are reported to the local law enforcement authorities. Sanctions imposed by the College may include, but are not limited to, disciplinary probation, suspension, expulsion, criminal prosecution, and civil prosecution depending on the severity of the crime.

### Procedure:

A student who believes that s/he has been a target of a bias-related crime is encouraged to immediately report an incident to the Dean of Students or a Resident Life Director. The incident, with the assistance of Elim's Dean of Students' Office, will be reviewed, investigated, and a determination made as to how the allegation will be handled.

Counseling and personal support is available to victims of hate/biased-related crime through the College's Dean of Students' Office. Students are informed about crime prevention measures through the New Student Orientation Program and the Student Handbook.

We currently have designated parking and wheelchair accessibility to the Dining Hall (Cafeteria and Classroom), Student Center (Campus Life front desk, café, snack and drink vending machines, games, restrooms), College Hall (Classrooms) Tabernacle (Chapel), and the Athletic Center. EBIC will take positive and proactive steps to make sure that persons with disabilities have adequate and easy access to facilities and equipment that they may need in order to accomplish their, goals, duties, and responsibilities at EBIC and to ensure that their ability to have social interaction with others is not hindered.

### Parking:

The designated parking spaces are marked in the Library Parking lot, which gives you access to the Tabernacle. There is a parking space right outside the Athletic Center for easy access, and another designated parking space right outside the Dining Hall for easy access to the Dining Hall and Student Center. EBIC facilities are located on a hill but we are continually striving to meet the needs of persons with disabilities.

### Elevators:

There are elevators in the Student Center/Dining Hall and the Athletic Center. As we continue to modernize the older buildings (Spencer Hall and College Hall), complete ADA accessibility will be enhanced according to code.

### Restrooms:

There are accessible restrooms in the Student Center, Dining Hall, College Hall, Tabernacle, and Athletic Center.

## Americans With Disabilities Act (Ada)

<b>Applies to:</b>	Students	<b>Overseer:</b>	Special Needs Coordinator

<b>Created on:</b>	8/9/2016	<b>By:</b>	Danuta Case / Dick Grout
<b>Revised on:</b>	12/3/2020	<b>By:</b>	Dick Grout

### Policy Statement:

Elim Bible Institute and College (EBIC) is committed to providing an equal educational opportunity for all qualified students. We welcome students with disabilities into our community and programs. We believe the needs of each student with a disability are unique; therefore, services are provided on an individual basis.

The following guidelines indicate standard policies related to academic support services to students with disabilities. EBIC recognizes and supports the standards set forth in Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990, as amended, and similar state laws (hereinafter "applicable law" or "law[s]"), which are designed to eliminate discrimination against qualified individuals with disabilities. The ADA 2008 amendment states: *no qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of services, programs, or activities of a public entity, or be subjected to discrimination by any such public entity.*

EBIC is committed to making reasonable accommodations for qualifying students with disabilities as required by applicable laws. EBIC cannot make accommodations that are unreasonable, unduly burdensome, or that fundamentally alter the nature of the college's programs.

While responsibility for the accommodation of students with qualifying disabilities must be assumed and shared by all members of the college community, EBIC has established a process that is designed to facilitate the reasonable accommodation of students with disabilities.

### Procedure:

#### Role of the Student

EBIC neither imposes accommodations on its students nor pre-empts their responsibilities, as legal and social adults, to identify their special needs and to ensure that these needs are being met.

The Special Needs Coordinator (SNC) will receive notification of the students that have self-identified on the Admissions application as having a disability. It is the student's responsibility to inform EBIC about his/her need at least one week before the semester begins. Documentation from a medical professional is required, depending on the degree of learning assistance needed.

### Certification and Accommodation

EBIC endeavors to make reasonable accommodations to promote the accessibility of its programs for students with qualifying disabilities:

- **Learning Disability/Special Needs**

- By the end of the first week, or beginning of the second week of the semester, the SNC will create a list of students with special needs, and subsequently meet with the EVPP to form a plan for each student. The EVPP will address the faculty so all the teachers are aware of the existing needs.
- The Registrar will assign the SNC as an advisor to all students with special needs
- Faculty will also be asked to remind students of this service in the beginning of the semester and direct them to the SNC.
- The SNC will follow up with both the students and the applicable faculty to ensure that the system is in place and report to the EVPP. He shall also upload to Populi a list of special needs students along with their approved accommodations and place it in the “For Faculty” folder.
- At the end of a semester the services will be assessed, and an assessment report will be submitted to the EVPP.

- **Physical Disability**

For students with physical disability:

- The SNC will inform Campus Life Director of the student’s needs.
- The Campus Life Director in communication with the student will formulate a proposed course of action that would constitute a reasonable accommodation of the student's disability, in view of the nature and extent of the disability.

### Role of the Faculty

The ADA essentially requires that:

- All otherwise qualified students are provided with equal access to the essential course content, and
- The impact of the disability on the student's learning and/or academic performance is mitigated **without compromising course or program integrity.**
- Accommodations may involve modifications of the ways in which material is presented or learning is evaluated; however, **accommodations that compromise the essential integrity of a course shall not be required of faculty at EBIC.**
- Faculty also have the right to receive a status report of a student accommodation request and clarification of recommended accommodations. Also, they may suggest alternative accommodations they think more appropriate in light of the nature of the course or program. Alternative accommodations must be as appropriate and as effective in mitigating the effects of a disability.
- Accommodations normally should be implemented as soon as reasonably possible after the faculty member has received the accommodation recommendation. Undue delays in the implementation of accommodations should be avoided, as they may undermine a student’s ability to fairly access the content of a course.
- If a student approaches a faculty member directly to request an accommodation related to a physical or mental impairment, the faculty member must explain the certification/accommodation process of EBIC. A faculty member is not individually authorized to agree to provide a student with a requested accommodation.

### Documentation

EBIC requires appropriately current documentation of any or all disabilities for which accommodation is requested, provided at the expense of the student requesting accommodation, prior to determining what services and accommodations may be undertaken for students with qualifying disabilities. Documentation of disability furnished by the student will be kept confidential and will be shared only with college personnel involved with the coordination and facilitation of services and accommodations (including faculty), except as is otherwise required by law or a health or safety issue. Since insufficient information may jeopardize the accommodations process, EBIC reserves the right to request additional documentation considered necessary to the formulation of a reasonable and appropriate accommodation plan. The cost of obtaining any such additional documentation shall be borne by the student.

Generally, documentation verifying the disability must:

- Be prepared by an objective professional qualified in the diagnoses of such conditions.
- Include information regarding the testing procedures followed, the instruments used to assess the Disability, the test results, and a written interpretation of these results as they pertain to an educational environment and/or participation in EBIC's programs.
- Reflect the individual's present level of functioning in the areas related to the particular accommodations being sought.
- Be appropriately recent.

### Appeals Process

A student may appeal a decision by submitting a request for reconsideration to the EVPP. Appeals may be based on a decision not to provide a particular accommodation or issues regarding documentation of disabilities. The EVPP may approve or deny the request as his/her decision is final.

### Services

#### **Academic Accommodations for Students with Special Needs**

EBIC offers the following areas of assistance for students with special needs:

- Tutoring – All full-time faculty need to be available for up to 1 hour per week to address the needs of students with disabilities.
- Notetaking – The faculty will offer to all qualifying special needs students the services of a good note-taking student in their class. Some faculty may upload their notes or PowerPoint presentation directly to Populi and make it available to all students or just make it available to the student with special needs.
- Extended Times on Tests and Quizzes – The student with special needs is to receive 150% of time for the test/quiz. If there isn't sufficient time in the context of the classroom for that extended time to be offered, the test/quiz may need to be rescheduled. The SNC will work with the faculty to ensure that these arrangements are being made. This service is only provided for those with a recognized and documented disability.
- Recording a Lecture – Students with disabilities can record each lecture with their own recording device after they have submitted an Audio Recording Request Form to the Academic Office:  
<https://form.jotform.com/203413786727158>

#### **Campus Life Accommodations for Students with Special Needs**

##### Service Animals

Service animals apply to animals individually trained to perform tasks for the benefit of a student with a disability. A student who wants to bring a service animal to campus must have the appropriate, professionally issued diagnosis. It must also be in compliance with the institution's ESA policy.

##### Classroom Access for Students with Disabilities

EBIC is responsible for ensuring that programs and activities are accessible to qualifying students with disabilities, as long as it is not unreasonable or unduly burdensome for the college. Some courses might have to be taken via Virtual Live mode.

#### Food Allergy Accommodations

Food allergies may constitute a disability and reasonable accommodations related to the meal plan may be possible. To initiate the accommodation process, the student needs to fill out the following JotForm:

<https://form.jotform.com/211935461099158>

The information that you provide regarding any special needs will be shared only with those individuals involved in the coordination and facilitation of services and accommodations that are required.

#### Residential Life Accommodations

The Campus Life Director will arrange for reasonable accommodations for students with special needs living in the residence halls, as long as it is not unreasonable or unduly burdensome for the college.

Residence hall advisers are notified in advance of students who are physically disabled and for whom residential accommodations have been approved.

Students requesting a single room as an accommodation are advised that such requests will be determined on an individual case-by-case basis and offered only when available.

Students are expected to play a substantial role in specifying their needs and following through on arrangements for accommodations. It must be understood that arrangements for equipment, housing assignments, and other accommodations require advance notice.

#### Handicapped Parking

Handicapped spaces are available for students who display their handicapped tag on their rearview mirror.

<b>Created on:</b>	2/24/2017	<b>By:</b>	Jacob Smales / Sarah Ames
<b>Revised on:</b>	12/4/2019	<b>By:</b>	James Bercel

### Policy Statement:

Elim Bible Institute and College shall provide written notification to students residing in college-owned or college-operated housing with regard to a description of such housing facility's fire safety system, including whether the housing is or is not equipped with a sprinkler system. EBIC shall also indicate, within such written notification, how to access the Campus Fire Safety Report regarding on-campus student housing facilities as required under Title 20 of the U.S. Code Section 1092(i). For the purposes of this section, "sprinkler system" shall mean a system of piping and appurtenances designed and installed in accordance with generally accepted standards so that heat from a fire will automatically cause water to be discharged over the fire area to extinguish it or prevent its further spread.

### Procedure:

Elim Bible Institute and College has thirteen buildings which are used for on-campus student housing facilities and four non-housing related buildings. All of them are equipped with smoke alarms and extinguishers. The on-campus student housing facilities are not equipped with a sprinkler system. The Campus Fire Safety Report can be found on our website under "[Student Right to Know \(https://elim.edu/student-right-to-know/\)](https://elim.edu/student-right-to-know/)".

### Fire Alarm Activation Log

The Safety Director maintains the records of all alarm activations and fires that occur on campus. The log contains the following information: date and time of alarm or fire, location, type of alarm and the cause/reason. The Safety Team member who holds the safety phone will respond and record the incident on the accessible alarm log online. The Safety Director will review the log to maintain its accuracy.

### Fire Drills

Fire Drills are conducted in all resident buildings (Dorms and Tenant Apartments) four times per calendar year. One drill must be conducted within the first two weeks of the semester, one drill must be conducted after dusk, and one drill must include the utilization of fire escapes where applicable. Administrative buildings will also receive three fire drills per calendar year. All drills are overseen by the Safety Committee.

### Reporting a Fire

Per Federal Law, Elim Bible Institute and College is required to annually disclose statistical data on all fires that occur in on-campus student housing facilities. Therefore, if a student finds evidence of an extinguished fire or hears about such a fire and is unsure whether the Safety Committee has been made aware of it, they can contact the following non-emergency number:

EBIC's Safety Director at (585) 497-7921

When calling, please provide as much information as possible about the location, date, time, and cause of the fire.

### Activating an Alarm

Pulling the handle of a manual pull station activates the building fire alarm system in the event of an

emergency. The pull station should only be used if there is an active fire or a smell of smoke, and the automatic fire alarm system has not yet been activated. Pull stations are located at every egress door in buildings that have an automatic fire alarm system.

### **Student Housing Evacuation Procedures**

In the event of a fire, activate any fire alarm in the vicinity. Use a fire extinguisher before evacuating only if it is possible to do so without risking personal injury and the fire is small or just beginning. Elim expects that all campus community members will evacuate by the nearest exit activating the fire alarm system (if one is present) as they leave. Once safely outside the building, it is appropriate to contact 911 and the Campus Safety Phone number. Students and/or staff should relocate to their predetermined locations. In the event that a fire alarm sounds, it is required all occupants evacuate the building.

### **Fire Safety Education and Training:**

All Resident Advisors (RA's) will receive fire safety education during their week of Resident Advisor Training, which takes place the week before school begins each year.

All residents are required to attend a meeting in their dorms at the beginning of the school year to discuss fire safety, fire evacuation plans, and rules and regulations of the dorm. The safety director also does a fire safety training in the first month of each semester prior to doing scheduled fire drills.

Supervised fire drills are conducted in each on-campus student housing facilities four times a year (twice per semester). All drills are supervised by **the Safety Team**.

These procedures should be followed in the case of a fire:

- Find the closest exit and go to your designated meeting location
  - a. The following buildings will meet on the **front lawn of the West Apartments**:
    - i. Library
    - ii. Tabernacle
    - iii. Faling Hall
    - iv. West and South Apartments
  - b. The following will meet on the **front lawn of Spencer Hall**:
    - i. Music Hall
    - ii. Blake Hall
    - iii. Founder's Hall
    - iv. Watson Hall
    - v. Washington Hall

    - vii. Student Center/Dining Hall
  - c. The following will meet near the **playground/Volleyball Court**:
    - i. North A Apartments
    - ii. North B Apartments
  - d. The following will meet on the **Athletic Field**:
    - i. Gym (Athletic Center)
- Gather by cadre
  - Let the RA that is present know if someone from your cadre is not present
  - Report any information you may have about the cause of the alarm and any discharged fire equipment to the RA
- Await further instructions from the RA, Fire Department and/or Safety Committee
- Do not re-enter the building until they direct you to do so. Silencing of the alarm does not imply the emergency is over.

### Policy Statement:

Elim Bible Institute and College recognizes the danger to one's physical and psychological well-being in the non-medical or recreational use of certain substances. Therefore, members of the community are to abstain from the use of any of the following:

- Controlled substances, marijuana, hallucinogens, depressants, stimulants, and narcotics, unless prescribed by a physician

The above are not to be personally used, possessed, sold, or distributed on or away from the campus.

Students are required to abstain from alcohol while school is in session and on breaks, both off and on the EBIC campus. As stated in the *Community Life Commitment*, "EBIC will not restrict staff members who choose, based on their own convictions, to consume small amounts of alcohol in certain situations, such as weddings or other special celebrations away from campus." However, drunkenness is strictly prohibited for all EBIC staff and is grounds for dismissal. Consumption of alcoholic beverages is prohibited for *all* members of the EBIC community while on campus, including tenants.

### Procedure:

*At the beginning of every academic year—no later than the end of September—the Financial Aid Director will distribute an email with the information contained in this policy to all enrolled students. Newly enrolled students will be sent this email in January, as well.*

*This policy will also be distributed to each new employee and emailed/distributed annually to all staff by the Administration Director.*

### Sanctions for Violations of the Standards of Conduct

Elim Bible Institute and College will impose sanctions on students and employees for violations of this standard of conduct.

Student sanctions may include disciplinary warning, disciplinary probation, community service hours, suspension, or dismissal. Participation in a rehabilitation program outside of the College may be required. Whenever a student is in violation of a local, state, or federal ordinance or has committed a crime related to alcohol and/or drugs, they are additionally subject to law enforcement, as well. More information on sanctions can be found in the Student Handbook under Discipline Sanctions and the Employee Handbook under Standards of Personal Conduct.

Employee sanctions include, in ascending order of severity: warning, reprimand, probation, suspension [with or without pay], and termination of employment. Participation in a rehabilitation program outside of the College may be required. Whenever an employee has violated one of these standards, Elim Bible Institute and College will consider, as with students, referral of the matter to law enforcement officials for prosecution.

Employees must notify the Administration Director of any criminal drug-statute conviction for a violation

occurring in the workplace no later than five days after such conviction.
